Source Assessment Worksheet

MLA Citation:

Who wrote it? (Or sponsored, published, or hosted it, or both?)
*Is it written or published by someone who has the expertise on the topic?
What are the author's/publisher's credentials?*
Who is the intended audience?

What type of source is it (book, web article, encyclopedia article, etc.)?
And for what purpose was the book or article written?

Where does their information come from?
Do they cite sources? Are those sources reliable? Is their evidence easily verifiable?

When was this source created or last updated?
Is it new? Is it up-to-date for the topic?

Why is this information useful for your research?
What does it do for your research?
Why use it instead of another source?
Can a "real person" use this resource? What is the reading level of the resource?
HOW is it relevant?
Is the information accurate? (Does it match up with other sources?)
