Need to Add Students to Your Source Account?

Please log onto your Source account, click **Add Students** and follow the steps.

Not Registered With The Source? Here's how to get started:

1. Please go to <http://ps.seattleschools.org> and click the **Sign up** button.
2. Read the instructions and click the **Add Student Information** button.
3. Enter: **Your student's 7 digit Seattle Schools student ID#, date of birth and school.**
4. If you have more than one student, click **Add Another Student.**
5. Click **Finished Adding Students** after you have entered all of your students enrolled in SPS.
6. Wait a few minutes and look for an email message from sourcesupport@seattleschools.org
NOTE: If you don't see the message in your inbox, check your SPAM or Trash folder.
7. Open the email and make note of the **Access ID** and **Access Password** for each student.
NOTE: Do not include any spaces when entering the Access ID or Access Password.
Access Password is entered in **UPPER CASE LETTERS.**
8. Click the **Create Parent Account** link in the email.
9. Enter the following: Your first and last name, your valid email address, and a password (please do not use an apostrophe ' in your password). Enter each student's name, Access ID, Access Password (in UPPER CASE LETTERS) and use the drop-down to select *your* relationship to each student.
10. Scroll down and click **Enter** when you are done.
11. Log onto the Source!

New this year, Schoology Learning Management System (LMS)! Schoology is a tool teachers may use to post assignments, homework, messages, events, and calendar items. To sign up, click **Schoology Access Codes** on the left menu of your Source account. Make note of the Student **Access Code** for each student and click the **Sign up for Schoology LMS button.**

Look for more information about Schoology in your Start of School packet!

If you have questions or need help please email sourcesupport@seattleschools.org

The screenshot shows the 'Create Parent Account' web form. It has two main sections: 'Create Parent Account' and 'Link Students to Account'. The first section contains fields for First Name (Fred), Last Name (Flintstone), Email (fred@fred.com), Re-enter Email address (fred@fred.com), Password (masked with dots), and Re-enter Password (masked with dots). A 'Strong' indicator is visible next to the password field. The second section is titled 'Link Students to Account' and includes a sub-header 'Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account'. It features a table with columns for Student # 1, Student Name (Ginger O'Doggy), Access ID (12345), Access Password (masked with dots), and Relationship (Father). Three callout boxes provide additional instructions: one pointing to the email field stating 'Your email address will be your username.', one pointing to the password field stating 'Please do not use an apostrophe ' in your password.', and one pointing to the Relationship dropdown menu stating 'Use the drop-down to select your relationship to the student.'

12. Log on using the **Username (email address)** and **Password** you just created!
