STUDENT/PARENT/GUARDIAN HANDBOOK

1418 NW 65th Street

Phone (206) 252-1000 FAX (206) 252-1001

Dear Parents and Students:

The number one goal of Ballard High School is the academic achievement for all of our students. Students, parents/guardians, and staff work together to promote a safe and secure learning environment.

This handbook is intended to support the success of each student at Ballard High School. The information included in this handbook will be useful over the course of the coming school year. Some of this information will be reviewed with students during their classes at the beginning of the school year. However, it is important that each student and his/her parent or guardian make themselves aware of the entire contents of this handbook. Please find time to go over this information as a family.

Of most immediate importance to students will be the information regarding academic expectations for graduation, student behavior at school and the requirements governing attendance.

Policies and procedures are subject to change. *Notification of any changes will be communicated to students, parents, and guardians.*

Please feel free to direct any questions or concerns you have about the contents of this handbook to your student's assigned Counselor or Assistant Principal. By working together, we can realize our goal of success for every student and their family at Ballard High School.

PTSA INFORMATION

Visit ballardhsptsa.seattleschools.org for board members, meeting dates, current events, and more! Contact bhs.ptsa.pres@gmail.com with your PTSA questions.

RESOURCES

DAILY BULLETIN – The BHS Bulletin may be accessed online at <http://ballardhs.seattleschools.org>. If you would like the Bulletin emailed to you, contact ballardhighnews@gmail.com.

SCHOOLGY PAGES - The district provides this communication opportunity to access online student academic achievement, attendance, and provides online access to assignments and homework. <http://www.seattleschools.org/cms/One.aspx?portalId=627&pageId=1166719>

PLANNERS – Students are encouraged to use planners to keep track of such items as assignments and test dates. Many teachers include the use of planners in their curriculum. SPREE / PTSA sell planners for \$10.00. Sales times and dates are announced in the Daily Bulletin.

SCHOOL MESSENGER - School Messenger includes email and automated phone calls to families and staff to distribute information such as changes in the school schedule due to weather conditions or planned early dismissal dates. In order to receive this information in a timely manner please keep your email address and telephone number current on school records.

THE SOURCE-

For Students – Students log in to their school assigned account, with their username which begins with bal_

If they forget their password, they need to see Ms. Chambers or Ms. Wood in the library. Incoming 9th graders will log into their account using the same password they had in middle school, unless new to the district. Again, see Ms. Chambers or Ms. Wood in the library for help.

For Parents – To register for the Source or to add a student to your account please go to this website for instructions,

<http://www.seattleschools.org/cms/One.aspx?portalId=627&pageId=1166719>

If you are having any difficulties with the Source, you may contact Source Support at sourcesupport@seattleschools.org. What is the difference between Schoology, Source, and the District/School website? **Schoology** is our Learning Management System, where teachers can post course content, provide resources for students, and review assignments. The Source is where parents/guardians, and students go to see their schedule, assessment scores, attendance, library information and *secondary* student grades. The District/School website is our externally-facing web presence for people interested in learning more about our schools and programs. Parents and guardians will need to create an account to login to Schoology using an access code. You can find your access code by logging into the Source and selecting Schoology Access Codes from the left menu.

TRANSPORTATION –The school district will send a notice to students that qualify for a bus card the week before school starts. School bus, cab, or other appropriate transportation is provided for students with special needs. For Metro bus schedules online, contact Metro Trip Planner at <http://tripplanner.metrokc.gov/> or call Metro Rider Information at 206-553-3000, TTY 206-684-1739. METRO lost and found number is (206) 553-3090. BUS TIME is (206) 287-8463. The district transportation office number is 206-252-0900 or transdept@seattleschools.org

ORCA Cards – All students who qualify for an Orca Card should receive paperwork that needs to be signed by the parent and student and returned to the main office in exchange for their Orca Card. If this card is lost it may be replaced for \$5.50 for the first replacement card and \$25.00 for the second replacement card. All school district issued Orca cards are automatically deactivated at the end of June.

If you qualify for free and reduced lunch, you may qualify for an ORCA card if you live less than 2 miles from school. Please visit www.seattle.gov/YouthORCA for details.

SNOW - In early November, snow route information will be mailed to your home. Parents should select the safest alternative stop for their students in the event emergency snow routes are announced. If stations *do not* mention the Seattle School District, school bus transportation will be operating on regular routes at regular times. Major radio and TV stations will communicate one of three messages for emergency operation. These messages include:

1. **Schools open on time** - buses operating on time on Snow Routes. No door-to-door service.
2. **Two hours late** - buses operating on **Snow Routes**. No door-to-door service.
3. **Two hours late** - buses operating on **Regular Routes**. No door-to-door service.
4. **Schools closed**.

Every effort will be made to operate the routes on time. When appropriate, school buses will be chained. However, ice and snow emergencies create other traffic problems that cause delays. Students should be dressed in warm clothing before they leave for the bus stop and a backup plan should be worked out with the students in the event the bus is late.

BALLARD SERVICE LEARNING PROGRAM

Service Learning Coordinator	Ms. Mitchell	(206) 252-1015	gamitchell@seattleschools.org
-------------------------------------	--------------	----------------	----------------------------------------------------------------------------------

One of the graduation requirements for the Seattle School District is 60 hours of service learning. Service learning is giving time, without pay, to a non-profit or government agency. Service learning allows students to learn and to apply academic, social and personal skills through real hands on activities. Students make a difference and address authentic community needs. Students may start accumulating 15 hours the summer before starting 9th grade. After students are in high school, any summer hours they complete that meet the service-learning requirement can be counted toward the 60-hour graduation requirement. "Above and Beyond" medals are awarded for 240 hours of service. The service learning coordinator offers suggestions about non-profit and governmental organizations and upcoming opportunities. Some opportunities will be announced in the Daily Bulletin. The service learning coordinator visits students in each ninth grade health class to review this graduation requirement.

COUNSELING DEPARTMENT INFORMATION AND RECOMMENDATIONS

The Counseling Secretary will assist students to make an appointment to see their counselor. Transcript requests for current students may be requested in the Counseling Center. Please allow 4 school days for transcript processing.

***** IMPORTANT POLICIES*****

Late Arrivals/Early Dismissals: It is strongly recommended that ninth and tenth grade students take a full schedule of six classes. Eleventh and twelfth grade students may choose late arrivals or early dismissals. No empty periods are allowed in the middle of a student's daily schedule.

Grading System: Grades of A, A-, B+, B, B-, C+, C, C-, D+ and D indicate credit earned in a class. An E grade indicates course failure and results in no credit earned. If a student wishes to take a class for a Pass/No Pass grade, this must be requested by the fifth week of the semester and may be chosen for only one course per semester. Students who are withdrawn from a class after the fifth week of the semester will earn an "E" on their transcript for that course unless the withdrawal is due to a move to another school. Classes dropped after the 10th day of the semester but before the 5th week of the semester will result in a "W" on the student's transcript. Incompletes are rarely given and must be completed within six school weeks of the end of the grading period or the Incomplete will become an E grade. All classes earn .50-semester credit, with the exception of TA (teacher assistant) positions, which earn .25-semester credit.
Percent (%) grading scale: A=93-100, A- =90-92, B+=87-89, B=83-86, B-=80-82, C+=77-79, C=73-76, C-=70-72, D+=67-69, D=60-66, E=50-59

Report Cards and Progress Reports: Semester report cards are issued twice a year and are mailed to all students. Semester grades are posted to the official transcript. Mid-term progress reports are issued at the middle of each semester and mailed to all students. These grades are for information only. However, senior year mid-term grades may be used as part of the college admission process, even though credits are not posted to the transcript. "D" and "E" grades are reported halfway through each quarter and are mailed to students receiving these grades. These progress reports are for information only and are not posted to the transcript.

Weighted Class Rank: Class rank is an indicator requested by some colleges and universities, scholarship programs, and some employers. A weighted class rank system is intended to recognize students who take more rigorous academic courses. These include courses designated as Honors (H), Advanced Placement (AP), College in the High School (CIHS) and Running Start (HRS). Honors courses earn a half weighting point; AP, CIHS, and HRS courses earn a full weighting point. The weighted ranking process does not affect the GPA. The highest attainable GPA is 4.0 (WAC 180-57-050). Valedictorian(s) and Salutatorian(s) are based on cumulative weighted rank as of 1st semester senior year.

Ballard High School Valedictorian/Salutatorian Policy

Ballard's Valedictorian must:

1. Have the highest weighted Class Rank after the first semester of the senior year. Additional courses taken beyond the six period day will not be counted towards the calculation of the student's Class Rank for purposes of determining Valedictorian, except in the case of Running Start courses, for which all credits through fall quarter of senior year will be counted.
2. Have been a full time student (six classes each semester) on Ballard's campus, including Running Start courses, all four years
3. Have no "E" or "N" grades on the transcript.
4. Have no "P" grades other than for Driver's Education
5. Have no Teacher or Office Assistant classes on transcript

Ballard's Salutatorian(s) must:

1. Have the second highest weighted Class Rank after the first semester of the senior year. Additional courses taken beyond the six period day will not be counted towards the calculation of the student's Class Rank for purposes of determining Salutatorian, except in the case of Running Start courses, for which all credits through fall quarter of senior year will be counted.
2. Have been a full time student (six classes each semester) on Ballard's campus, including Running Start courses, for at least three years
3. Have no "E" or "N" grades on the transcript
4. Have no "P" grades other than for Driver's Education and/or a Study Abroad experience
5. Have no Teacher or Office Assistant classes on transcript

Class Standing: A minimum of 21.00 credits are required to graduate for class of 2015 through 2019. Students must meet the graduation requirements of their "Class of" designation, as assigned in grade 9. This is never altered regardless of the year of actual graduation (i.e., early or late completion of graduation requirements).

High School Credit for Middle School Courses: High School credit is available for some pre-approved middle school courses. Requests for credit must be received by the end of the student's senior year. See your counselor for details.

Making Up a Required Course: To graduate, students must pass all required courses and have a 2.0 grade point average in core subjects (language arts, social studies, math, and science) and cumulatively as well. If a student fails a required course or wishes to raise the GPA by repeating a course, he/she generally must expect to take that course through an after school or summer school credit retrieval program if available, or through an accredited program outside of Ballard High School.

Course Fees: We believe students should be able to take courses of their choice regardless of their ability to pay required course fees. Course fees are vital to offering high quality programs but they are optional.

TA (Teacher or Office Assistant) Students may take only one TA position per semester. Such credits may not exceed 2.0 credits. Teacher Assistant positions earn .25 credit and a P/N grade. Office Assistant positions earn .50 credit and a letter grade. Please be aware that TA positions can negatively affect athletic eligibility, Valedictorian/Salutatorian standing, and PE waiver availability, so students are advised to consider this decision carefully before deciding to take a TA position.

Athletic Eligibility: In order to play on a school sports team, students must have earned a grade point of 2.0 or higher in 5 subjects during the previous semester of school. Continuing eligibility will require a student athlete to earn no less than a 2.0 grade point average in five subject areas (2.5 credits) as reported on their current report card. **TA classes, lab assistants and PE waivers cannot be counted as one of the five classes for eligibility.**

NCAA Athletic Eligibility: Students interested in participating in college athletics after high school need to be aware that additional academic courses are required for eligibility and not all courses are approved for NCAA eligibility. Student athletes must also register with the NCAA Eligibility Center, preferably during the junior year. Visit the NCAA website www.eligibilitycenter.org and see the athletic director or your counselor for more information.

Elizabeth Guillory	252-1004	- Attendance and Discipline for Last Names Starting with A - F
Carrie Burr	252-1003	- Attendance and Discipline for Last Names Starting with G - N
Makela Steward	252-1005	- Attendance and Discipline for Last Names Starting with O-Z
Attendance Secretary	Alice March	(206) 252-1009 ballardhs.attendance@seattleschools.org

"THE BASICS"

Since experience has shown that frequent absences from school contribute to poor achievement, the current grading practices will include student attendance. The laws of the State of Washington require regular attendance of all pupils enrolled in the public schools. It is the responsibility of the student to make up missed class assignments/tests for excused absences. Classroom assignments may be requested through the Counseling Office if the student is going to be absent more than three school days. Please allow twenty-four hours to process a request.

Attendance is required so that students will be able to:

- Participate in oral presentations
- Participate in all classroom physical activities
- Participate in class discussions or in-group work that does not involve written work
- Receive verbal instructions concerning new concepts and review of previous concepts.
- Participate in lab activities
- Collaborate in-group processing skills
- Hear and respond to guest speakers and outside resources (films, video presentations, etc.)

Student absences can only be excused by a note signed by parent or guardian or by email from parent/guardian. Absences cannot be excused by phone. However, if this is an extended absence of 3 or more days, you may wish to contact the Counseling Office for assistance to contact teachers for assignments. Please allow 24 hours to process your request.

- Absences may affect the grade and credit earned for a course depending on each teacher's syllabus. Each student will receive a copy of the course syllabus and a copy of the syllabus will be posted in the classroom.
- A tardy is defined as a student entering a class after the tardy bell has sounded.
- It is the student's responsibility to make up work for excused absences, school related absences such as field trips, or suspensions. The teacher's syllabus will explain the makeup policy for that class.
- Excuse Note or email – An excuse note must be turned in to the Attendance Office or an email sent to Alice March in The Attendance Office ballardhs.attendance@seattleschools.org within 3 school days of the absence. A note or email received after the third day will be noted as a "Late Note" and is not excused. Unacceptable reasons will not be excused and will be noted as "Not Excused". Phone calls do not excuse an absence.
- Late Passes – Students late for 1st period should report directly to class. Students late to periods 2-6 need to get a tardy pass from an administrator or security specialist to be admitted into class. Students with note from a parent or if a parent has already emailed can come to The Attendance Office for a pass to class.
- Early Dismissals – Students MUST have authorized parent/guardian permission AND school permission to leave school for an outside appointment or an illness during the school day. Without permission, the absence will be unexcused. Please excuse Early Dismissals in advance by note or email turned into the Attendance Office
- Pre-Arranged Absences/Parent Initiated – Students who knowingly will be absent two or more days should obtain a "**Pre-Arranged Absence Form**" available in the Attendance Office or The Ballard HS Website to notify their teachers of their absence and arrange for makeup work, if required. The "Pre-Arranged Absence Form" needs to be completed and returned to the Attendance Office three days prior to the absence.
- Pre-Arranged Absences/School Initiated – Activities such as field trips require a pre-planned absence form. Students should obtain a pre-arranged absence form from the teacher in charge of the field trip to notify their teachers of their absence and arrange for makeup work, if required. The pre-arranged absence form should be completed and returned to the teacher three days prior to the absence. The teacher informs the Attendance Office about the Field Trip so students can be excused.

DEFINITION OF AN ABSENCE: The following Seattle School District definitions apply to students at all ages:

Excused Absences:

- Unplanned absences are excused when your child's personal illness or injury, or the illness, injury or death of a family member, prevents your child from attending school. The school may require a note from your child's doctor before excusing those absences if your child is absent due to illness or injury for an excessive number of days. Ballard High School requires a note from a parent or guardian to excuse any absence within 3 days of student's return to school from any absence.
- Planned absences are excused when you submit a request to the principal or assistant principal at least three school days before the start of a planned absence, usually for a family trip of short duration, doctor or dentist appointment, or religious or other special one-time event. However, long-term absences or a succession of long-term absences may affect whether your child will be promoted and/or earn credit for graduation. Absences for longer than twenty consecutive school days may result in your child being dropped from school enrollment.
- Absences due to short-term discipline of your child are excused on District attendance records unless your child is under court order to attend school without additional truancies or behavior problems.

Unexcused Absences:

- All other absences are considered unexcused, including absences caused by the student or parent oversleeping, student missing the bus, transportation problems, student needed for babysitting, student job requirements, etc.
- Absences by long-term suspended or expelled students for whom space is available in the reentry program, but who do not enroll and attend, are unexcused.
- Students entering a class more than 10 minutes after the tardy bell will be counted as an unexcused absence.

PROCEDURES REGARDING EXCUSED ABSENCES

To excuse an absence, the student must present a written note stating the reason for the absence to the Attendance Office within **3 school days** of returning to school. A late written excuse does not remove an unexcused absence from the records. A phone call regarding an absence is considered a courtesy extended to the school but is not required. The phone call must be followed with a written note. Note: Students living on their own need to contact their administrator to establish the procedures to be followed regarding attendance. All work missed due to excused absences must be made up as determined by the classroom teacher.

DEFINITION OF A TARDY A tardy is defined as a student entering a class after the tardy bell has sounded. Unexcused tardies must be recorded in the teacher's roll book and on the Attendance Office forms.

- When tardy to periods 2-6, students must get a tardy pass from an administrator or security specialist to admit them to class. This pass will result in the student serving one day of lunchroom detention.
- Tardies may affect your course grade and credit.
- Students entering a class more than 10 minutes after the tardy bell will be counted as an unexcused absence.

EARLY DISMISSALS:

Students must present a written note to the Attendance Secretary on the day of the appointment or get permission from their administrator prior to leaving school. Early dismissals will not be excused after the fact.

LATE ARRIVALS: For late arrivals to school, a written excuse from parent/guardians is required within 3 school days.

Students with written excuses should report directly to the Attendance Secretary.

Students without written excuses should go directly to class.

PRE-ARRANGED ABSENCES:

1. A school sponsored pre-arranged absence form will be provided to the student from the appropriate advisor/sponsor.
2. Students and parents/guardians must complete the form and must obtain classroom teacher's signatures **THREE DAYS PRIOR TO THE EVENT**. Teachers should mark this in their roll books.
3. The student must return the completed form to the advisor/sponsor **THREE DAYS PRIOR TO THE EVENT**.

GRADING POLICY RELATED TO ATTENDANCE:

Teachers are encouraged to incorporate participation into their grading system. Participation may include points earned for being in class and on time. Students will be notified of teachers' participation grading policies in their syllabi.

COMPULSORY STATE ATTENDANCE LAW - "BECCA" BILL

Parent/guardians of children at least eight years old and less than eighteen years old must have their children in school on a full time basis or in an approved home instruction program. If a student has seven (7) unexcused absences within a month or ten or more unexcused absences within a school year, the School District is required to file a petition in juvenile court directed toward the student, parent/guardian or both. The Seattle School Board has approved the 2017 – 2018 school calendars. The calendar was developed and negotiated in cooperation with all of the bargaining groups representing Seattle Public Schools employees. The calendar is structured to provide a full week of instruction following Spring break and before the beginning of the spring HSPE testing period. The calendar also provides specific dates that will be used as make-up days in the event that inclement weather necessitates school closures.

Every Wednesday except September 6, we will have an early dismissal for the 17-18 school year. No school for Seattle School District students on October 13, 2017. This day will be used for statewide – staff professional development.

Every student will be asked to click ACCEPT after reading the agreement on their initial log on to the Seattle School district computers.

Use of the Seattle Public Schools network is a privilege. Violations of conditions of use may result in that privilege being taken away in whole or in part by school district personnel. All other related student policies are applicable and other consequences including suspension or expulsion may follow. Please review the "Student Rights and Responsibilities" pamphlet.

As a condition of my right to use the Seattle Public School Internet service, I understand and agree with the following:

STUDENT WORK HONESTY & PLAGARISM POLICY

Students are expected to be honest about what is theirs: ideas, writing, work, and the representation of themselves. To this end, Ballard High School is adopting this policy to ensure that student work is, indeed, their own so that teachers can know how best to meet the needs of their students and to be able to assess their progress in their education.

Honesty is:

- Doing your own work
- Crediting others' words, pictures, facts or ideas
- Keeping your eyes on your own work
- Helping, not copying
- Using electronic sources with integrity

Because cheating in any of its forms is detrimental to the educational process, the following disciplinary procedure will be followed for our school. Any student who cheats will be disciplined. Please review the individual syllabus for each class and the District Standard Practices. District Offenses is as follows:

1st Offense: Rewrite paper or make up test

2nd Offense: Lose credit for paper or test

3rd Offense: Lose credit for paper or test and school based consequences

NOTE: The class need not be the same one in which the second instance of cheating occurred.

Student possession or use of guns (loaded or not, operable or not, "real" or not), knives of any length (including pocket knives), pepper spray, laser pens and other weapons and objects capable of causing bodily harm will, in almost all cases, result in expulsion from school. Jewelry, apparel and accessories that can be used as weapons are prohibited. Having a weapon for "protection" or "by accident" or "because somebody handed it to me" (and it wasn't turned in immediately to the office or school staff) is not the sort of mitigating circumstance that will avoid expulsion.
