

Seattle Visiting Nurse Association

Flu Immunization Clinics

April 26, 2018

Seattle School District – Ballard High School

Thank you for choosing the Seattle Visiting Nurse Association to provide influenza immunizations for your staff and school communities again this year! We appreciate your support as we work together to “Fight the Flu” and prevent the spread of influenza in our community.

This letter will confirm that your flu immunization clinic is scheduled for:

Thursday, October 4, 2018
3:00 p.m. – 7:00 p.m.
2 Nurses

*****Please remember: SVNA is licensed to administer flu vaccine to age 4 and older only.*****

We will bill approved insurances for your staff and school community members’ flu immunizations. We will be happy to do that. As a reminder, everyone will need to complete a Patient Consent form which includes their name, address, date of birth, name of insurance carrier and individual insurance subscriber number. This information is **required** in order to process the billing.

Uninsured participants will pay for their own flu shots. The \$40.00 fee for the standard Quadrivalent flu shot, cash or check only, will be collected at the clinic at the time the shot is given.

Once again, thank you for choosing the Seattle Visiting Nurse Association for your flu immunization needs. We appreciate your support!
