

SEATTLE CHAPTER WSPE SCHOLARSHIP

High School Seniors Application Form

APPLICATION DEADLINE - May 1, 2017

Applicant's Name _____ Social Security # _____

Address _____ Telephone # _____

City, State, Zip _____ email _____

Local Newspaper _____

Address _____ Telephone # _____

This is an application for a \$1,500.00 Theodore O. Wright Memorial Scholarship, awarded by the Seattle Chapter of the Washington Society of Professional Engineers (WSPE) to a college freshman engineering student entering an ABET accredited program.

Eligibility & Application Requirements

1. Applicant must be a high school senior, a U. S. Citizen and have a minimum GPA of 3.0 for grades 10 and 11.
2. Applicant must attain a minimum test score on the Scholastic Aptitude Test (SAT) or the American College Testing Program (ACT). These scores are used only as a minimum qualifying level, and are not otherwise used in the selection process.
3. Applicant must have applied as an undergraduate engineering student to an ABET accredited program.
4. Applicant must submit one letter of recommendations from a math or science teacher from their present or past high school.
5. Applicant must submit an essay entitled "My Interest in Engineering" that is machine-printed and is one-half to one page in length (about 250 words), double-spaced, and typed in 11 or 12-point font. Essay must discuss: (1) your interest in engineering; (2) specific field of engineering you are pursuing; and (3) the occupation you propose to follow upon graduation.

Selection Criteria

The Seattle Chapter WSPE Scholarship Committee will judge applicants on the basis of each candidate's high school record. All courses, except physical education and driver's education, will be considered. Special supplemental credits will be given for math, computer, natural sciences, and mechanical drawing courses as well as college level courses, advanced placement (AP) and honors courses. The applicant will *please clearly hi-light all honors/AP classes and list the senior classes.*

The following criteria will be used for selecting the recipient of this Engineering Scholarship:

Grade Point Average	20	Work Experience	15
Curriculum Credits	20	Essay	15
Technical Activities	15	Recommendation	<u>10</u>
Activities & Honors	15	TOTAL POINTS	110
