

BALLARD HIGH SCHOOL ANNUAL SENIOR ALL NIGHT PARTY (SPREE) 2017

Senior Year?!! What??? It's true. You're the senior now. We want to help seniors spend one final night together celebrating their high school graduation from Ballard High School, the same night as the ceremony, creating life-long memories in a safe, drug and alcohol free celebration.

Senior Spree is a BHS tradition for 26 years! An ALL NIGHT graduation party designed by the seniors and hosted, produced, and chaperoned by proud BHS parents and staff in collaboration with a professional graduation company, Grad Nights – a company that specializes in these specific nights. The locations are kept secret to surprise and protect the seniors from all outside interference; however, input from the seniors themselves will help us select the entertainment and activities so they can design the party they want. Our hope is every Senior will attend!

The actual cost for this unique event is about \$195 per person; however, PTSA fundraising helps to reduce this ticket price and creates scholarships for seniors who could use the support in order to attend. The 2016-2017 Student Planners are one of the PTSA fundraising activities; they are available in the office, until sold out, for \$10 each. Also, Wreath sales in November is a Spree fundraiser—look for the order form in the first day packet.

Look for Spree information in the BHS Weekly Bulletin. To subscribe visit our website <http://ballardhs.seattleschools.org> to get the Bulletin delivered directly to your email from ballardhighnews@gmail.com.
