Marymoor Park Habitat Restoration – Eastside Audubon  
*Conservation/ecology/birds/wildlife*  
March 7, 2020, 9:00am-12:00pm  
Marymoor Park, Redmond  

Every month, we work to restore habitat by removing invasive species, planting native species, and mulching the native plants to give them a good start. If getting outside and doing a little physical labor to help the environment is what you look for in a volunteer opportunity, then this event is a good fit!
