Earth Corps
Park clean up/conservation/environmental science
Saturday, Nov. 2 9am-12pm
Magnuson Park

Join EarthCorps and the Green Seattle Partnership as we continue to work in one of Seattle's greatest parks. Warren G. Magnuson Park is located near a mile-long stretch of Lake Washington's shoreline in northeastern Seattle. This park is rapidly becoming home to a unique combination of features and activities for all to enjoy: boating, swimming, walking paths, kite flying, sports fields, and a community campus. The Park also offers ample opportunity to explore a range of natural areas: grasslands, wooded hillsides, wetlands, and lakeside beaches.

For this special event, we are partnering with the Green Seattle Partnership and ask that each individual sign up here:

Seattle Parks and Recreation
Park clean up/conservation

1. Saturday, Nov. 16 10am-3pm
Ballard Corners Park – 17th Ave NW & NW 63rd St

We'll be weeding, cleaning up debris, and spreading wood chip mulch. We're also going to replace the thorny plants at the NE entrance (the "Corner Store") with something a little friendlier. Some tools and refreshments will be provided. If you have your own gloves and tools please bring them. Any questions, please contact Gabriella: gabriella@seanet.com or (206) 782-3238. We're looking forward to seeing you there!

2. Saturday, Nov. 9 9am-12pm
Golden Gardens Park - 8498 Seaview Pl NW, Seattle, WA 98117

Join us for a restoration work party at Golden Gardens Park - See website for important details on what to bring and where to meet.
YES! Youth Engaged in Service
 Various
 Ongoing

YES! is a job readiness and leadership development program for youth ages 13-19 that will connect you to a broad range of service and training opportunities preparing you for the working world. YES participants can work individually or in small teams on a project and will be partnered with an adult mentor and support the operations and programming at a Seattle Parks and Recreation facility, park or program. YES is inclusive and will help build skills and confidence that extend into the school year and beyond. By participating a minimum of 120 program hours, 60 service hours can go towards your high school graduation requirement and for the remaining 60 service hours, receive a stipend of $150.

YPAR Youth Participatory Action Research
 Social justice/activism/race and equity

The Youth Participatory Action Research Team provides a unique and exciting opportunity for young people to gain employment skills, understand important social issues, and work collaboratively to make change in their communities. YPAR participants will work alongside teammates to share and learn about the basics of race & equity in our society. All YPAR participants will work as a team to create art and media projects while researching important social justice issues. At the end of the program, each participant will pursue an original project on the topic of their choice which will showcase what they have learned throughout the program. All participants will display their projects at a special community event. Minimum of 120 hours of approved program time.

Questions? Please contact: teen.programs@seattle.gov. Please sign up for the email distribution list to receive program applications and other information automatically.

Abbey Arts Events
 Performing arts/music
 October shows listed on the Abbey Arts Events page (linked above)
 Fremont Abbey Arts, Ballard Homestead, St. Mark’s Cathedral, The Auditorium

Abbey Arts always needs volunteers for musical performances. This is a great opportunity for students interested in music, performance, sound tech, and front-of-house aspects of entertainment. Abbey Arts performances are at any of 4 locations, listed above (including the Ballard Homestead on Jones Ave.). First show of the month is Jonathan Wilson on October 4 at Fremont Abbey.

More details about registration, volunteer guidelines, and show dates/times/locations can be found on their events page and volunteer page.
