Curious where to go 7:30 – 9:00? There are many options on how to obtain your student's schedule prior to Curriculum Night!

1. Ask your student to send a screenshot of their schedule off The Source.
2. Log onto The Source as a guardian and look at their schedule.
3. Ask your student to fill this grid out prior to Curriculum Night.
4. If the above aren't possible, receive the schedule at the information fair in the foyer at 6:30.
5. Utilize the helpful leadership students in the hall.

State Testing

All students are required to meet State Standards in English Language Arts and Math in order to earn a diploma from Ballard High School. The most efficient way to demonstrate proficiency is by taking and passing the state exams given to students the spring of their sophomore year.

Smarter Balanced Assessment (SBA)

All 10th graders will take the Smarter Balanced Assessments in English Language Arts and in Math March 6 to June 9.
Any 11th and 12th graders who have not yet passed the exams will have the opportunity to retake the Smarter Balanced Exam in ELA and Math.

Washington Comprehensive Assessment of Science (WCAS)

All 11th graders will take the WCAS this spring.

If you have any questions, please contact Eric Ensign at erenign@seattleschools.org or 206- 252-1076.

More details on Testing can be found on the BHS website on the Assessments & Testing page:
